

A Bill for an Act Relating to the Exemption of Nutrition Program Assistants.

Be It Enacted by the Legislature of the State of Hawaii:

SECTION 1. The purpose of this Act is to provide civil service exemption for Nutrition Program Assistants of the University of Hawaii's federally funded Expanded Food and Nutrition Education Program.

The Expanded Food and Nutrition Education Program is a federally funded program designed to educate and advise persons in target areas of the nutritional needs of their families and economical ways of fulfilling these needs. Field work for this program involves home visitations by Nutrition Program Assistants.

Federal guidelines for the Expanded Food and Nutrition Education Program require that assistants be indigenous to the area they serve. In Hawaii assistants must live in the area where they work and be of similar ethnic background to their targeted audience. Civil Service recruitment procedures are not designed to recognize these special and unique requirements which are considered necessary for most effective program results. Therefore, it is essential that these Nutrition Program Assistants be exempt from civil service.

SECTION 2. Section 76-16, Hawaii Revised Statutes, is amended to read:
