

ACT 142

S.B. NO. 163

A Bill for an Act Relating to Energy.

Be It Enacted by the Legislature of the State of Hawaii:

PART I

SECTION 1. The legislature finds that it is in the public interest to encourage the development of nonfossil fuel projects that make electric energy available to members of the general public by its sale to an electric utility serving the public. The legislature further finds that the Wailuku River Hydroelectric Power Company, Inc., a Hawaii corporation, is engaged in the development of a hydroelectric power plant project that will sell the electric energy it produces to the Hawaii Electric Light Company, Inc., which is an electric utility serving the public.

The legislature further finds that the Wailuku River Hydroelectric Power Company, Inc., may be assisted through the issuance of special purpose revenue bonds because it is an industrial enterprise pursuant to part V, chapter 39A, Hawaii Revised Statutes. The legislature previously authorized under Act 222, Session Laws of Hawaii 1990, the issuance of one or more series of special purpose revenue bonds in a total amount not to exceed \$18,000,000 for the purpose of assisting the Wailuku River Hydroelectric Power Company, Inc., or a partnership in which the Wailuku River Hydroelectric Power Company, Inc., is a general partner, for the establishment of a hydroelectric power plant and related facilities.

The legislature finds and declares that the issuance of special purpose revenue bonds under this part is in the public interest and for the public health, safety, and general welfare.

SECTION 2. Pursuant to part V, chapter 39A, Hawaii Revised Statutes, the department of budget and finance, with the approval of the governor, is authorized to issue in one or more series special purpose revenue bonds in a total amount not to exceed \$7,000,000, for the purpose of assisting the Wailuku River Hydroelectric Power Company, Inc., or a partnership in which Wailuku River Hydroelectric Power Company, Inc., is a general partner, for the establishment of a hydroelectric power plant and related facilities. The electrical output of this plant and facilities shall be made available for use by members of the general public by sale to the Hawaii Electric Light Company, Inc. The legislature finds and determines that the activity and facilities of the Wailuku River Hydroelectric Power Company, Inc., constitute a project as defined in part V, chapter 39A, Hawaii Revised Statutes, and the financing thereof is assistance to an industrial enterprise.

PART II

SECTION 3. The special purpose revenue bonds issued under this Act shall be issued pursuant to part V, chapter 39A, Hawaii Revised Statutes, relating to the authority to issue special purpose revenue bonds to assist industrial enterprises.

SECTION 4. The authorization to issue special purpose revenue bonds under this Act shall lapse on June 30, 1995.

SECTION 5. This Act shall take effect upon its approval.

(Approved May 22, 1991.)
