

**ACT 161**

S.B. NO. 3004

A Bill for an Act Making an Appropriation for Removal of Hazardous Materials from Public Schools.

*Be It Enacted by the Legislature of the State of Hawaii:*

SECTION 1. In accordance with Section 9 of Article VII of the Constitution of the State of Hawaii and sections 37-91 and 37-93, Hawaii Revised Statutes, the legislature has determined that the appropriation contained in this Act will cause the state general fund expenditure ceiling for fiscal year 1992-1993 to be exceeded by \$50,000, or 0.000016 per cent. The reasons for exceeding the general fund expenditure ceiling are that the appropriation made in this Act is necessary to serve the public interest and meets the need provided for by this Act.

SECTION 2. There is appropriated out of the general revenues of the State of Hawaii the sum of \$50,000, or so much thereof as may be necessary for fiscal year 1992-1993, for the removal of hazardous materials from public schools in the State. Consultant services and technical assistance may be obtained by the department of education for the safe and efficient removal of hazardous materials from the schools. The department of health shall provide assistance to the department of education upon request.

**SECTION 3.** The sum appropriated shall be expended by the department of education for the purposes of this Act.

**SECTION 4.** This Act shall take effect on July 1, 1992.

(Approved June 8, 1992.)
