H.B. NO. 1327

A Bill for an Act Relating to the Authorization of Special Purpose Revenue Bonds for Energy Development.

Be It Enacted by the Legislature of the State of Hawaii:

SECTION 1. The legislature finds that it is in the public interest to encourage the development of energy projects that make electric energy available to members of the general public by its sale to an electric utility serving the public. The legislature further finds that the Encogen Hawaii, L.P., a Delaware limited partnership, is engaged in the development of a power plant project that will sell the electric energy it produces to the Hawaii Electric Light Company, Inc., which is an electric utility servicing the public.

ACT 245

The legislature further finds that the Encogen Hawaii, L.P. may be assisted through the issuance of special purpose revenue bonds because it is an industrial enterprise pursuant to part V, chapter 39A, Hawaii Revised Statutes.

The legislature finds and declares that the issuance of special purpose revenue bonds under this part is in the public interest and for the public health, safety, and general welfare.

SECTION 2. Pursuant to part V, chapter 39A, Hawaii Revised Statutes, the department of budget and finance, with the approval of the governor, is authorized to issue in one or more series special purpose revenue bonds in a total amount not to exceed \$10,000,000, for the purpose of assisting the Encogen Hawaii, L.P. for the establishment of a power plant and related facilities. SECTION 4. The authorization to issue special purpose revenue bonds under this Act shall lapse on December 31, 1998.
