- (13) Regulation of archaeological activities throughout the State;

- (14) Employment of sufficient professional and technical staff for the purposes of this chapter which ~~may~~ shall be in accordance with chapter 76;
- (15) The charging of fees to be determined by the department that are proportional to the nature and complexity of the projects or services provided, and adjusted from time to time to ensure that the proceeds, together with all other fines, income, and penalties collected under this chapter, do not surpass the annual operating costs of the comprehensive historic preservation program;
