Chair Espero, Vice Chair Baker, and Members of the Committee:

As the Director of the Department of Public Safety, I realize how important it is to ensure that the mandate of Act 116 (13) Relating to the Service of Civil Process, be fulfilled in a timely and comprehensive manner.

Mr. Toyama's 16 years of experience serving process in Hawaii means that he has invaluable insight into the issues before the group. Mr. Toyama's previous service as an Army Veteran, Pearl Harbor Naval Shipyard worker (Retired) and volunteer for Little League and Oahu Interscholastic baseball and softball umpire for over 27 years reveals a deep commitment to our community.

I strongly **support** Mr. Toyama's nomination as a committee member for the Civil Process Server Working Group, based upon his extensive experience as a civil process server in Hawaii, and his commitment to the needs of the community.

Daniel H. Toyama

Subject: Nomination to the Civil Process Server Working Group

Concerning my nomination to the Civil Process Server Working Group, I am submitting responses to the following questions:

(1) Why do you wish to be a member of the Civil Process Server Working Group? I believe my background in serving civil documents and being trained in my former job on process improvement can achieve success in the tasks for the working group.

(2) Given your understanding of the role and responsibilities of a member of the Civil Process Server Working Group, why do you believe that you are qualified for the position? I have been trained as a civil process server by the Department of Public Safety, State of Hawaii and have been serving civil documents since 1997.

(3) What do you hope to accomplish during your term of service? Complete the actions requested by the legislature and any follow-up actions that may be required.

(4) Can you foresee any possible conflicts of interests that could arise during your service on the Civil Process Server Working Group? How would you overcome any possible conflicts of interest? I do not foresee any possible conflict of interests. If in the course of the meetings, I note that there may be a possible conflict of interest, I will announce my concerns to the entire group.

Thank you, and please support my nomination.
